Full name of Seconder: James Beckinsale

Triathlon England Membership Number: EA2869

Club (if applicable): Optima Racing Team

Proposer supporting statement (max 200 words):

Mark is first off an outstanding athlete and has experience in a wide range of sports. My main interaction with Mark has been as a joint coach of the Optima TriStars team, He shows great commitment , organisational and motivational skills and in the short time we have been running the group our membership has grown from 4 to close to 30 with very few drop outs. This is testament to Mark and his skills. I would thoroughly recommend him to the committee.

Nominee supporting statement (max 200 words):

I wish to re-apply for the position of London Triathlon Junior Co-ordinator to try and help develop the opportunities available for young triathletes in and around the region. Hopefully 2021 will provide more opportunities to these athletes in the form of training sessions and races and it is my wish to provide them with the right platform to not only be introduced and be kept in the sport but also provide a good grounding for those wanting to develop further with the academy.
